GWALIOR  
GWALIOR, MADHYA PRADESH, INDIA**

The purpose of this non-binding Memorandum of Understanding (MOU) between Khabarovsk Federal Research Center of the Far Eastern Branch of the Russian Academy of Sciences (KhFRC FEB RAS) and Atal Bihari Vajpayee-Indian Institute of Information Technology and Management Gwalior (ABV-IIITMG) (herein after the institutions will be referred to individually as "Party" and collectively as the "Parties").

The Parties hereby agree:

1. Proposed collaborative activities

The Parties will encourage the following activities, in particular:

**i) Exchange of academic and research staff**

Both Parties shall make reasonable efforts to facilitate visits of their academic or research staff to the other Party's campus for periods of time for fundamental and applied research and teaching in accordance with the objectives of this agreement. The details of institutional and individual responsibilities involved in such researcher or faculty exchanges shall be set forth in writing and agreed upon by both the Parties before a particular visit is initiated.

**ii) Exchange of students**

Both Parties shall make reasonable efforts to support development of an exchange of students. Exchange students shall be subject to the admissions criteria and requirements of the host institution. The details of institutional and student rights and responsibilities for such exchanges shall be set forth in writing and agreed upon by both the Parties before any exchange is initiated.

**iii) Special Projects**

Both Parties shall make reasonable efforts to collaborate from time to time in the development of special project aimed at furthering their academic objectives. The details of institutional and individual responsibilities necessary for accomplishment of these special projects shall be set forth in writing and agreed upon by both the Parties before a particular project is initiated or commenced.

2. Subsequent Agreements

Any subsequent agreements for collaborative activities will be in writing and signed by the binding authorities of the Parties.

3. Coordinators

Each Party shall designate a coordinator to oversee and facilitate the implementation of this MOU, with the following responsibilities:

- i) Promote academic collaboration

- ii) Act as principal contact
- iii) Liaise periodically to review and evaluate past activities and to discuss new ideas for future cooperative agreements

As of the initial signing of this MOU, the coordinators are:

Khabarovsk Federal Research Center  
of the Far Eastern Branch  
of the Russian Academy of Sciences  
(KhFRC FEB RAS):

4. Term, renewal, amendment, and termination

This MOU shall become effective upon its execution by both Parties and shall remain in force for a period of five (5) years from the date of the last signature, with the understanding that it may be terminated by either Party giving six (6) months' written notification to the other Party.

This MOU may only be renewed if, after a review process between the Parties, the Parties agree in writing to renew it.

Any modification or amendment to this MOU shall be in writing and signed by the binding authorities of the Parties.

Neither Party may assign this MOU or any right under this MOU without the prior written consent of the other Party.

5. Legal effect

The terms of this MOU represent the current intentions of the Parties as of the time of signing and the terms are not legally binding on the Parties.

6. No agency

Nothing in this MOU gives rise to a relationship of agency or partnership between the Parties and neither Party has the right or authority to act on behalf of the other Party or to bind the other Party in anyway.

7. Resolution of Disputes

The Parties will make every reasonable effort to resolve all issues in relation to this MOU and fairly by negotiation. All disputes or differences arising in connection with this MOU which cannot be settled amicably will be finally resolved by a mediator to be agreed between the Parties.
